

TOWN OF NORTH HEMPSTEAD
COMMUNITY DEVELOPMENT AGENCY
March 8, 2023 BOARD MEETING MINUTES

Call to Order

Chairperson Jeffrey M. Greilsheimer of the Town of North Hempstead Community Development Agency (the “Agency”) called the meeting to order at 7:58 PM.

Attendance

Board Members present:

Jeffrey M. Greilsheimer

Rodney A. Caines

Dolores Sedacca

Agency staff present:

Rosemary A. Olsen, Executive Director (ED)

Joseph Santamaria, Assistant Executive Director/Project Manager (AED)

Patrice P. Allen, Administrative Assistant

Yael Spitzer, Deputy Town Attorney

Minutes of Meeting Held on February 8, 2023

Upon the motion of Ms. Sedacca and seconded by Mr. Caines, the minutes of the meetings held on February 8, 2023, were accepted.

Executive Director’s Report

The Executive Director’s Report consisted of the following:

US Treasury Emergency Rental Assistance Program (“ERAP”)

The Town of North Hempstead (the “Town”) approved the selection of the Community Development Corporation of Long Island, Inc. (“CDCLI”) as the community-based organization (“CBO”) undertaking the marketing and outreach of the Town’s ERAP program. The Town approved the Agency as the Town’s administrator of the CBO contract. The Town and the Agency joined with the Nassau County Office of

Community Development (“OCD”) to coordinate the selection process for the Community Based Organization through a Notice of Funding Availability process.

The Town has subsequently been notified that additional funding will be available for the ERAP program.

Municipality	Round 1 Allocation	Round 2 Allocation	High Need Allocation	Total	10% - Local Share for Outreach, etc.
Nassau County	\$1,798,077.50	\$1,422,734.60	\$3,459,037.40	\$6,679,849.50	\$667,984.95

Community Development Block Grant (“CDBG”) Program:

The Agency administers CDBG funding for the unincorporated areas of the Town. HUD allocates funding to Nassau County on a formula basis for municipalities that have signed a cooperation agreement for the Nassau Urban County Consortium. All Towns, Cities, and Incorporated Villages in Nassau County are welcome to sign the cooperation agreement with the OCD. The CDBG program is intended to provide a suitable living environment, decent housing, and expanding economic opportunities for low to moderate-income persons. Funds are allocated based on how funding may be used to further the Nassau County Five-year Consolidated Plan goals. For further information, go to:

<https://www.nassaucountyny.gov/1524/Community-Development>.

OCD opened the 49th year funding round for CDBG. The ED attended the first public hearing on January 25, 2023. The applications are due on March 17, 2023.

The Agency scheduled its first public meeting for Wednesday, February 22, 2023, at 5:30 PM in the Agency’s Conference room at 51 Orchard Street, Roslyn Heights, NY.

Affirmatively Furthering Fair Housing, Equity, and Inclusion (Town-wide project):

Title VIII of the Civil Rights Act of 1968, known as the [Fair Housing Act](#), requires HUD and recipients of federal funds from HUD to affirmatively further the policies and purposes of the Fair Housing Act, also known as “affirmatively further fair housing” or “AFFH.” The obligation to affirmatively further fair housing requires recipients of HUD funds to take meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics, which are: Race, Color, National Origin, Religion, Sex (including gender, gender identity, sexual orientation, and sexual harassment), Familial Status, and Disability.

Generally, in administering programs and activities relating to housing and community development, the federal government, HUD, and its recipients must:

- *Determine who lacks access to opportunity and address any inequity among protected class groups*
- *Promote integration and reduce segregation*
- *Transform racially or ethnically concentrated areas of poverty into areas of opportunity*

Nassau County adopted the Nassau County Consortium Five-Year Plan for HUD CDBG, HOME, and ESG Grant Funding (2020-2024). They also adopted the Fair Housing Assessment (the Analysis of Impediments to Fair Housing Choice). As a result, the Agency must prepare and submit a Fair Housing Activity Statement for each annual application for CDBG funds. To receive funds, the Agency is obligated to form a Fair Housing Committee to respond to help prepare the statement. It should cover the activities of the

Town, Agency, and Housing Authority. The County FHAS Report template is more extensive due to the new plan, the Garden City fair housing lawsuit settlement, and outstanding fair housing complaints filed with HUD.

The Agency filed the annual Fair Housing Activity Statement with Nassau OCD on January 31, 2023. The statement was prepared after consulting with the Town's interagency fair housing committee. The Fair Housing Assessment Committee includes staff from the CDA, Planning Department, Town Attorney's Office, and Housing Authority. We are also working on completing activities in support of the FHAS.

The Agency's ED compiled a summary of fair housing information for the public. Ms. Allen posted this information on the Town website at:

<http://bit.ly/3HMB6oq> or <https://northhempsteadny.gov/cda-message>.

We also printed posters developed by Long Island Housing Services to be installed in public buildings.

Operations:

Nassau County Office of Community Development ("OCD"): Nassau County Office of Community Development ("OCD") Agency's chart of account funding commitment balance as of February 2, 2023, is \$1,661,165.09 for contracts through the 48th program year. In addition, we have funding commitments for \$778,607.41 for CDBG-CV, CDBG-TOD, and CDBG-HOA grants.

Agency's cash balances as of March 3, 2023

TD Bank –Lump Sum Checking Account - \$68,581.47 *(as of 2/28/23)*

TD Bank – Payroll Account – \$6,844.07 *(as of 2/28/23)*

Valley National Bank-Program Income Account - \$635,526.13 *(as of 2/10/23)*

Agency cash deposits:

Harris Beach PLLC Escrow Account Various Matters: \$34,125.00 *(as of 3/3/23)*

Banking Update:

The Agency is now banking with TD Bank at the New Cassel branch for our Lump Sum checking account and a Payroll Account. We are in the process of setting up an account at Flushing National.

State of New York Authority Budget Office ("ABO"):

The Agency is an urban renewal agency formed under New York State General Municipal Law for the Town of North Hempstead. New York State has determined that the Agency is a public authority and is subject to reporting in PARIS to the New York State Authorities Budget Office.

The Agency Board reviewed policies at the February meeting. Resolutions on the March 8, 2023 meeting include additional required resolutions.

The Agency Website and other operational items: *No Change*

The ED secured one proposal for website design. The CDBG program management software inquiries were started, but the current market is currently overwhelmed due to the volume of federal funding programs currently being distributed for pandemic relief.

New Cassel Urban Renewal Plan:

Since its inception, the Agency has been transforming blighted and underinvested low-income neighborhoods in the Town by leveraging federal and state grants. Past projects include the Spinney Hill neighborhood in Great Neck/Manhasset and the Roslyn Heights neighborhood near the Roslyn railroad station. In addition, the Agency has been transforming the hamlet of New Cassel following plans laid out by the Town for over 20 years.

The Agency follows the New Cassel Urban Renewal Plan, Shared Vision for New Cassel, and the New Cassel Brownfields Opportunity Area (“New Cassel Visioning”). North Hempstead Planning Department has led the planning efforts for the New Cassel Vision, which the Town Board has adopted with copies located at:

<https://northhempsteadny.gov/New-Cassel-Community-Visioning>.

US Environmental Protection Agency (EPA) Multipurpose Grant (URA project) BF 96242300-0:

The Agency’s ED applied for and was awarded a very competitive EPA Multipurpose Grant. The EPA Multipurpose Grant is an \$800,000 grant award for five years to help pay for environmental assessments and clean-up on municipally owned properties in New Cassel. The project is a cooperative effort with the Town Planning Department.

Neal Stone from TONH Planning prepared a revised scope of work for the EPA Multipurpose grant, which was submitted to the Agency’s regional representative last Wednesday. The EPA Multipurpose grant will be available as a match for the NYS Department of State BOA Predevelopment Connectivity, Wayfinding, & Resiliency Project. In addition, the grant funds will be used for predevelopment work on our CDBG projects. He met with EPA on a preliminary monitoring visit last month.

Via Nuova, an EPA Technical Services Consultant, presented three webinars on the Market Study. Copies are being forwarded to Board Members for their review.

- Webinar 1 presented general demographic information about New Cassel.
- Webinar 2 demonstrated using the EPA Revitalization Ready Guide and a site prioritization tool with actual data about the New Cassel priority sites. The tool prioritized 746 Prospect and adjacent property and Site M for reuse.

- Webinar 3 presented interviews and reuse opportunities for Site M.

They will provide us with a complete report by the end of March.

New York State Department of State New Cassel BOA Market Analysis and Site Reuse Study (CFA Grant 2019) (URA project): No Change

The Agency's ED applied for, and the Agency was awarded a competitive NYS DOS Brownfields Opportunity Area Grant in the NYS Consolidated Funding Application Round in 2019 for \$126,000. The grant is to conduct a market study to determine commercial reuse for blighted and underutilized properties in New Cassel. This project is a cooperative effort with the Town Planning Department. The survey results can be viewed at:

https://northhempsteadny.gov/filestorage/16257/17126/New_Cassel_Survey_Results_2021.pdf

The Agency interviewed four (4) proposers for the NYS DOS Market Study RFP. The Agency's Board approved one (1) proposal at the January 2023 meeting. We will provide the selected Proposer with a draft contract and plan a kick-off meeting next week.

New Cassel US EPA Brownfields Assessment Grant (URA project):

The Town Planning Department applied for and was awarded a competitive US EPA Assessment Grant for the New Cassel hamlet. The purpose of the grant is to complete environmental assessments (Phase I and Phase II) of vacant and underutilized properties to advance clean-up and redevelopment. In addition, the grant requires public outreach and input for the project, which was completed in the summer of 2021. For more information, go to Brownfields Project 2021 at <https://northhempsteadny.gov/New-Cassel-Community-Visioning>.

The summary from the Brownfields workshop in the summer and the survey results can be viewed: https://northhempsteadny.gov/filestorage/16257/17126/New_Cassel_Survey_Results_2021.pdf.

Funding was used to help with assessments and related work at the Agency's priority redevelopment sites. AKRP, TONH Brownfield consultant, is finalizing site investigation work for the Workforce Scattered Site properties. They provided structural engineering reports for 184 Catherine and 212 Sheridan properties. In addition, funding was used for 746 Prospect Avenue, Westbury, and the adjacent vacant lot. Neal Stone will close out this grant in the first quarter of 2023.

New York Main Street Grant Application (NYMS SHARS ID #20210423) (CFA Grant 2021) (URA project):

The Agency applied for, was granted, and completed a competitive New York Main Street Technical Assistance Program grant (NYMS-TA - SHARS ID 20180113 -CFA 2019) for \$20,000 from the New York Housing Trust Fund Corporation (HTFC). The project funded New Cassel Building Feasibility Analysis &

Design Guidelines – Prospect Avenue Corridor Design Guidelines. We procured a design professional who completed the design guidelines and façade handbook.

The Agency's ED applied for competitive grant funding to assist in renovating commercial and mixed-use buildings on Prospect Avenue based on these guidelines. The New York Main Street program awarded \$295,000 in grant funds for building renovations on Prospect Avenue from the Regional Economic Development Council 2021 competitive funding round.

NY Main Street funding is restricted to low-income neighborhoods based on criteria set by New York State. Therefore, New Cassel is the only eligible census area in North Hempstead.

The Agency is completing the environmental review process for the program.

Commercial Rehabilitation and the Sign & Awning Program:

LIRR Third Track Community Benefits program:

The Town applied for LIRR Third Track Community Benefits program funding grants to small businesses for exterior building improvements. The program is restricted to small businesses located in areas impacted by construction closures due to the Third Track project. The LIRR requires the Town to pay the contractor directly for work completed on participating commercial buildings. The Town has asked the Agency to undertake this activity in coordination with the Town. The eligible areas are Union and Prospect Avenues in the New Cassel hamlet, Westbury Avenue in the Carle Place hamlet, and Jericho Turnpike in the Garden City Park hamlet. In addition, incorporated Villages received their own Community Benefits funding.

The Commercial Rehabilitation, Sign & Awning Program draft consultant agreement is being reviewed and will be signed soon. The next step is sculpting the program's business procedures with the consultant.

New Cassel Urban Renewal Area Developments

The Vision Plan for New Cassel called for the redevelopment of vacant and underutilized brownfields sites to revitalize the community economically. Properties that were off the tax rolls were redeveloped into a mix of commercial and residential uses. Housing is being created for a mix of income levels, including affordable housing. Both rental and ownership housing is being created for families and seniors. Commercial development includes businesses not otherwise available in the community, such as grocery stores, service providers, and professional offices.

Site A: Blue Cassel Development 701 Prospect Avenue, Westbury- No Change

Gateway Apartments is a 37-unit mixed-use and mixed-income family apartment community developed, owned, and operated by the Bluestone Organization. This rental community was developed as a transit-oriented development with federal and state housing funds, low-income housing tax credits, and other financial assistance.

The occupants of the problem apartment were evicted. The apartment was being used for narcotics trafficking. The property owner must rehabilitate the apartment to meet HUD's housing quality standards.

Site C: RSDK Dental Office("RSDK"), 822 Prospect Ave, Westbury- No Change

This mixed-use building includes a commercial condominium and a residential condominium. The residential condominium is a 26-unit affordable family rental housing development.

RSDK Dental Office purchased the commercial condominium. RSDK is doing business as Molar-to-Molar Dentistry. The Agency provided RSDK Dental with an economic development loan to acquire the condominium unit. RSDK Dental developed and operates a minority/woman-owned dental practice with six chairs and State of the art dental equipment. In addition, RSDK Dental is leasing a subdivided space to Brigitte Hair Design, a minority/woman-owned hair salon. Both businesses opened during the COVID-19 pandemic.

The Town prepared a Small Business Spotlight for Molar to Molar, which can be viewed here: <https://www.northhempsteadny.gov/smallbusinessspotlight>:

Site D: 839 Prospect Ave, Westbury - 18 mixed-income family rental apartments - No Change

The developer completed construction within the last ten (10) years. The development was completed with CDBG and HOME grants, a land subsidy from the Agency, and other financial assistance.

The property was sold to a new owner who retains the affordability restrictions. According to Nassau County, the property complies with the HOME program. In addition, the Agency assisted the prior property owner in applying for rental arrears through the ERAP program.

Site H: Demonstration Project – 821 Prospect Avenue: - No Change

Site H is a mixed-income and mixed-use development. Nu-Cassel Pharmacy is an owner-operated pharmacy that owns one commercial condominium. A local retailer owns the other commercial condominiums. The residential development includes seven duplexes that are owner-occupied with a tenant. The owners were first-time homebuyers.

Site I– Rose Place (aka Sohmer Place) 11 Townhouses and Roadway:

Site I was developed with eleven affordable three-bedroom (11) townhouses on subdivided lots. All eleven homes were sold to affordable first-time homebuyers at or below 80% of HUD Nassau/Suffolk Area Median Income. The homes were sold as they were completed from 2017 through 2020. Long Island Housing Partnership (LIHP) provided technical assistance (TA) to the Agency. Technical Assistance included marketing and outreach following a Fair Housing Marketing Plan, receiving applications, and conducting a lottery. In addition, LIHP processed the applications and provided applicants with pre-purchase homeownership counseling, mortgage application assistance, and other housing counseling. They also applied for and administered a New York State Housing Finance Agency downpayment assistance grant for each homeowner.

The Developer and Town staff continue communications toward addressing Rose Place Road dedication.

Site M- 985-987 Prospect Avenue, Mixed-Use Redevelopment on Northwest Corner of Prospect and Brooklyn Avenue

The Agency owns and assembled a vacant property currently planned for a mixed-use development. The property is currently off the tax rolls.

Euroamerican Funding is the selected developer who proposed mixed-use development. The project includes ten (10) senior housing units (at least six affordable) above an urgent medical care center and credit union micro-teller. Town Board and Board of Zoning Appeals approvals were secured in 2018. Nassau County Industrial Development Agency (IDA) financial assistance preliminary resolution was also secured. Unfortunately, development activity slowed before and during the COVID-19 pandemic.

The Chief Deputy Town Attorney has started the review of the redevelopment contract. He contacted the developer's land use attorney. The Agency staff met with Rich Yevoli from Euroamerican last week. He remains interested in the development if they can build the 15-unit senior residential option from our RFP. Although they submitted residential DOB application(s) for permits in 2022, permit fees are due payable, and omissions and application fees must be addressed. The Agency awaits receipt of developer's permits, revised proforma, funding commitments, and other related items.

746 Prospect Avenue, Westbury, New York (URA Project) - No Change

This property is a mixed-use building that was in foreclosure and extremely blighted. The Agency acquired the building from the owner in April 2020 during the COVID-19 pandemic. The retail store is vacant, and a family lives upstairs in a rental apartment. The building was constructed in approximately 1935 and has primarily served as a deli and apartment. The Town's EPA Brownfields Grant has enabled us to complete Phase I and Phase II environmental assessments. Work included removing the abandoned oil tank. In addition, the renovation of this property was included in the NY Main Street Renovation Grant.

The plumber found and corrected shower body plumbing leaks to the lower level (from the second-floor apartment). Some tub caulking will be needed soon.

North Hempstead Scattered Site Affordable Workforce Housing Program (town-wide program in unincorporated areas)

The Agency acquires blighted and abandoned residential properties (zombie homes) to redevelop as affordable homes. The properties we acquire have multiple barriers to redevelopment by the private market. Project completion involves an investment of time and resources to redevelop these properties. We try to improve the neighborhood or block while creating affordable housing primarily for first-time homebuyers.

Scattered Site Affordable Workforce Housing Program Phase III:

212, 242 Sheridan Street & 184 Catherine Street/Catherine Street Vacant Lot:

This property is a vacant and abandoned home in foreclosure. The prior owner had a reverse mortgage and did not pay tax arrears. The house was badly damaged by fire and has been unoccupied for years. It is next to two homes we recently developed and sold to first-time homebuyers. The Agency is acquiring the property by eminent domain as the mortgage and escrow balance far exceeds the home's appraised value.

New York State Empire State Development Corporation awarded the project \$1,265,000. The funding is available for the demolition and reconstruction of new units. There is a matching component of 10% that the Agency can easily commit with our CDBG and EPA Brownfields grant. The Agency will provide the property's value as a match and plan to secure HOME grants to help subsidize the acquisition costs as we did in Phase I and II projects. The Agency will have vesting orders for three properties: 212 Sheridan, 243 Sheridan, and 184 Catherine Street, Westbury, NY.

Prospect Avenue Streetscape:

Boulevard Banner Program - No Change

The Agency had previously installed streetlamp banners that were faded, missing, or torn, leaving a poor appearance of the Prospect Avenue Corridor. In addition, approximately 32 banner arms were missing or broken. The Agency worked on redesigning the banner using photographs of the original artwork from the Arts-Build project. The Arts Build project was a mural that was the work of Westbury High School students. The Agency procured a design professional to assist in the banner project. The selected design professional is Piscatello Design Center <https://piscatello.com> ("Piscatello"), a boutique graphic design firm for the creative industry. Piscatello Design Center designed new banners inspired by the Arts-Build student artwork. Russell Lippai, the TONH photographer, took digital photographs of the original artwork. In addition, the Agency procured a banner fabricator and a banner installation contractor. The banner arms were replaced with a double banner pole option that is easier and less expensive to replace.

The banners on Prospect remain inspiring but require regular maintenance. The Agency will consider a maintenance solution incorporating the Towns 311 system, Town Contractors, Towns Highway Department, and the Agency.

Downtown Area Maintenance and Enforcement Committee - No Change

The Downtown Area Maintenance and Enforcement Committee meets about twice a month. The Committee was formed to address the ongoing concerns on Prospect Avenue. Concerns raised include sanitation collection, litter, maintaining medians/sidewalks, trees and tree wells, code enforcement, parking enforcement, and working with the merchants/property owners. Prospect Avenue is starting to look better.

<https://northhempsteadny.gov/content/16255/18636/default.aspx#nh311>. If you register for an account with 311, you can go back and check on the status of your service request.

Agency Code enforcement work continues. The focus is cleaner streets and correcting broken or blighted structures and assemblies.

Rose Ribbon Park and Parking Lot - No Change

Rose Ribbon Park is located on the south side of Prospect Avenue between Brook Street and Sohmer (formerly Rose). The Agency acquired and assembled property providing parking and a park on the west end of Prospect Avenue. The park and parking lot was built with HUD Economic Initiative Grant funding (EDI) as a cooperative effort of the Agency, Planning, DPW, and Parks. The Agency has retained property ownership as New Cassel is being revitalized. The Parks Department maintains the property. Recent improvements by the Agency include planting trees in the rear of the lot and upgrading and extending the irrigation system.

Rose Ribbon Kiosk - The park portion of the property includes a backlit kiosk recently rehabbed in-house by the Agency's AED. The Planning Department has prepared a business directory for the kiosk. In addition, the Agency, Planning, and The Yes We Can Community Center use the kiosk to hang posters announcing upcoming events and programs.

New Cassel Gateway Signs and Historical Markers - No Change

The Agency recently installed gateway signs and historical markers planned in the Vision for New Cassel. The first historical marker is located at Cantiaque Rock, the historical dividing line between North Hempstead and Oyster Bay. The second marker was based on historical research conducted by local elementary school students about the naming of New Cassel. New York State Education Department recognized these students.

Yes We Can Community Center (YWC Center or Center) (URA Project)

YWC Center Security Camera Upgrades

The Agency has provided a grant to the Center to upgrade the security camera system. Phase I of the project is installing additional security cameras and new digital recorders. The project was funded in the 46th and 47th year CDBG budgets.

The camera installation is almost completed. A camera for the elevator is still outstanding.

YWC Center HVAC Upgrades

The Agency received COVID-19 funding for HVAC upgrades at YWC Community Center, Roslyn Community Center, and Landmark on Main Street.

The main project objective is to facilitate the HVAC system working as close as possible to the intended design. The Agency has completed the replacement of a compressor and preliminary work on the building management system. An onsite review of the equipment will begin this month.

High Opportunity Area (HOA) CDBG Housing Incentive Grant: No Change

The Agency applied for and received an HOA CDBG grant to acquire property for affordable housing in a high-opportunity area. As a result, we identified an abandoned and foreclosed home in Garden City Park that we would like to acquire and rebuild to be sold to a first-time homebuyer. The acquisition process is underway. In addition, we ordered an appraisal update.

The attorneys are starting on the acquisition of this property.

Residential Lead Service Line Replacement Program (LSLRP) Grant (Town-wide, including Incorporated Villages): No Change

The Lead Service Line Replacement Program is an NYS Department of Health (NYSDOH) grant-funded program established under New York's Clean Water Infrastructure Act (ACT) of 2017. The Act amended the Public Health Law to require NYSDOH to implement a residential Lead Service Line Replacement Program. The DOH predetermines the eligibility of municipalities for funding based on a formula. The Town was identified based on criteria contained in the Act. As a funded and mandated program, the Town requested that the Agency implement the program on its behalf. This grant is multi-year, totaling \$611,363.

Lead service lines were installed in homes prior to 1939. Initially, the Agency outreached to all water districts to make them aware of the program. As per Policy Map data, Williston Park and surrounding neighborhoods have the highest risk of lead exposure in the Town.

The doorknocker has been printed and is ready for distribution. The website landing page and application have been redesigned and should go live this week.

General LSLRP Applicant Status: No Change

The Agency will be issuing a contract with Lakeville Manhasset Water District to facilitate the completion of a project at one home. In addition, our grant program is gaining more traction as water providers are mandated to complete a service line inventory.

Community Connections - New Cassel and Westbury Farmer's Market Programs: No Change

Community Connections, a not-for-profit organization, operates a youth-led seasonal farmer's market on Prospect Avenue in New Cassel and the Village Square in Westbury. This project is part of an initiative started by Sustainable Long Island to bring Long Island Farm fresh produce to low-income communities in Nassau and Suffolk County to be sold by community-based organizations as a job training program for disadvantaged youth. Community Connections is a successor organization to Unified New Cassel Community Revitalization Corporation.

The Farmer's Market has been open this summer. It is due to close at the end of October.

Westbury EOC / Head Start Program, 163 Hopper Street: No Change

The Agency never heard back from the Housing Authority or EOC on the expansion project.

Leadership Training Institute (LTI): Safe Places at Roslyn Community Center- No Change

LTI is a regional not-for-profit organization. LTI operates an after-school learning program and summer camp for disadvantaged students from the Roslyn School District as a subrecipient of the Nassau County Youth Board. Many of these students reside in Laurel Homes and Roslyn Plaza Gardens, two low-income housing tax credit developments adjacent to the community center. LTI also operated the Wages Program. Wages is a program designed to assist at-risk and economically disadvantaged adults entering the workforce.

LTI received a grant to assist minority young adults in Roslyn Heights, New Cassel, and Hempstead to achieve financial goals. It is a pilot program to close the minority generational wealth gap through workshops and financial coaching. They have asked us to help them identify potential applicants for this year's class.

Landmark on Main Street: - No Change

The ED has communicated with the new staff and will be meeting soon.

North Hempstead Cultural Arts Masterplan (“Cultural Arts Plan”) - No Change

Because of the decline of retail commerce in downtowns, the Town Planning Department has looked at Arts and Culture as an activity that can help activate declining downtowns throughout the Town. This project originated as one of the action items in the New Cassel Vision Plan. In addition, the New Cassel Brownfields Opportunity Area Plan called for creating the Cultural Arts and Commerce Plan. As a result, the Town received funding to create a town-wide Cultural Arts Plan. More information about the Cultural Plan can be found at: <https://northhempsteadny.gov/culturalplan>.

The Agency will reference the Cultural Arts Masterplan in our Request for Proposals, including plan elements when applicable.

Business and Tourism Development Corporation (“BTDC” or “LCD”)

The BTDC is the Town’s local development corporation. In most jurisdictions, the local development corporations are managed by the Community Development Agencies or the IDAs because they are development agencies. In 2020, the Town asked the CDA Board and Staff to manage the BTDC.

The BTDC has been underutilized over several years but is in good standing. The BTDC is a public authority required to report to the NYS Authorities Budget Office.

The BTDC meeting will follow the Agency’s meeting.

Upon the motion, the Board, the Executive Director’s Report, to the extent of the Members’ knowledge of the events referred to, was accepted and approved unanimously.

Resolutions

RESOLUTION NO. 11

A RESOLUTION ELECTING AND APPOINTING AGENCY OFFICERS

WHEREAS, according to Article II of the By-laws of the Town of North Hempstead Community Development Agency (the “Agency”), the members of the Agency (the “Members”) must elect at

its annual meeting a Chairperson, Vice-Chairperson, Treasurer, and Secretary. In addition, the Members may appoint someone as Agency Assistant Secretary.

NOW, THEREFORE, BE IT RESOLVED that the Members elect the following Members to serve as officers of the Agency:

<u>Jeffrey M. Greilsheimer,</u>	Chairperson
<u>Rodney A. Caines,</u>	Vice-Chairperson
<u>Ralph Kreitzman,</u>	Treasurer
<u>Dolores Sedacca,</u>	Secretary

BE IT FURTHER RESOLVED, that Patrice P. Allen is appointed to the position of Agency Assistant Secretary and authorized to perform the duties of the Secretary when the Secretary is either absent or unable to perform the duties outlined in the By-laws.
