before the hearing today to let them know that the hearing was going to be postponed to another date just so you know when you speak to them. And we told them all that if they come to the next meeting, wonderful. If they can't, I'll be happy to take their statements and put them into the record.

MS. GRAVES: Okay. What about supervising that area, lights?

COUNCILMAN ZUCKERMAN: So the --

MS. GRAVES: And the intrusion into a neighborhood with just houses there?

COUNCILMAN ZUCKERMAN: So the building -- the person who -- the entity that's proposing this, at the next hearing they'll make their presentation and we'll all hear it but they -- what I can tell you is their initial proposal has been modified because of the work that the supervisor and I have done with them. So it's been modified, so it's more -- I think you would find it more favorable to the community, but no one here can make any decisions until there's a public hearing and we look forward to that public hearing so we can hear it and then the Board can make a decision.

MS. GRAVES: I just think you could be more creative as far as zoning, allowing parking and those side streets. And I think you could be more creative at allowing parking because those stores are important to the neighborhood. I understand that, but you're busting a neighborhood. You're busting --

COUNCILMAN ZUCKERMAN: Ms. Graves, you know what I want to do? I want to give -- my legislative aid is outside and I'd like to get your phone number and your e-mail address and this way he can be in contact with you.

MS. GRAVES: Sure.

COUNCILMAN ZUCKERMAN: And this way if you're able to come, great, but if you're not, you can give us a statement, but we certainly have you on record already today. But this way we can keep you in the loop.

MS. GRAVES: I'm just concerned about lighting, about --

COUNCILMAN ZUCKERMAN: This way we can advise you what the changes to the proposal were because I want you to -- I want you to have all the information, you know.

MS. GRAVES: Yeah. Somebody keeping people from hanging out after hours in an empty parking lot. I'm just very concerned. Thank you.

COUNCILMAN ZUCKERMAN: Thank you.

PROCEEDINGS

(Pledge of Allegiance).

SUPERVISOR BOSWORTH: Mr. Wink, could you please call the meeting to order?

MR. WINK: Town of North Hempstead Board Meeting, Thursday, July 8th, 2021.
Councilwoman Dalimonte.

COUNCILWOMAN DALIMONTE: Here.

MR. WINK: Councilman Ferrera.

COUNCILMAN FERRERA: Here

MR. WINK: Councilwoman Lurvey.

COUNCILWOMAN LURVEY: Here.

MR. WINK: Councilwoman Russell.

COUNCILWOMAN RUSSELL: Here.

MR. WINK: Councilwoman Seeman.

COUNCILWOMAN SEEMAN: Here.

MR. WINK: Councilman Zuckerman.

COUNCILMAN ZUCKERMAN: Here.

MR. WINK: Supervisor Bosworth.

SUPERVISOR BOSWORTH: Here. So we have some sad news. On June 27th, the Town of North Hempstead lost a beloved member of our family. Dominick Capozzola (phonetic) spent 12 years as the catering and banquet manager of our Harbor Links Golf Course orchestrating affairs which included many town events and he did so with care, precision and great dedication. Anyone who knew Dominick loved him and his smile always brightened up the room. We send our condolences to his wife Gina, their children Elizabeta (phonetic) and Marchello (phonetic) Dominick and his entire extended family at Harbor Links. Dominick will be missed by all of us who had the pleasure of knowing him. I ask you to please join me in a moment of silence for Dominick.

(Moment of Silence.)

SUPERVISOR BOSWORTH: Thank you. Mr. Wink? I'm a little --Mr. Wink?

MR. WINK: Yes?

SUPERVISOR BOSWORTH: So I guess I'm a little rusty. Did we already take attendance?

MR. WINK: We took attendance.

SUPERVISOR BOSWORTH: We did. Okay.

MR. WINK: We are ready to go to public comments.

SUPERVISOR BOSWORTH: There you go. So following our town board procedures, we will open the meeting with 30 minutes of public comments on any matters not having to do with the items on our agenda. Mr. Wink, do we have any cards?

MR. WINK: I have two cards on public comments.

(Whereupon, the following was off the record)

SUPERVISOR BOSWORTH: Okay. So this is a statement to try and explain what this meeting is going to look like going forward. So due to the termination of New York State's COVID-19 state of emergency, meetings of the Town Board are now taking place in person. Hi, everybody. It's good to see you all. Because of the change in the meeting format from virtual to in-person attendance, the legal notices for the public hearing scheduled for July 8th, 2021, and those continued from previous meetings to August 5, 2021 must be updated. So items 1 through 13 will be continued without a date and new hearing dates for these items and those that had been continued to August 4th -- 5th, excuse me -- will be set tonight during agenda items 14 through 29. So we're going to be going through these items. We're going to open the hearing, close the hearing and we will then set the new date in the next items, and those are items 14 to 29. So please be assured that any public comment that was previously offered and included in the hearing record for an item that is being continued without a date will still remain part of the record. So I know it sounds a little confusing but as we go along, you'll see, you know, what it is that we're going to be doing. So, Mr. Wink, please strike item 64 and could you please begin tonight's agenda?

MR. WINK: Continuations. Item 1. A public hearing to consider the adoption of a local law amending Chapter 2 of the Town Code entitled "Administration and Enforcement."

COUNCILWOMAN LURVEY: Mr. Wink, can you call items 1, 2 and 3 together?

MR. WINK: Item 2. A public hearing to consider the adoption of a local law amending Chapter 20A of the Town Code entitled "Environmental Planning and Control of Trees"; and item 3, a public hearing to consider amendments to the Town's Tree Policy pursuant to Section 24A-4 of the Town Code.

COUNCILWOMAN LURVEY: So as the Supervisor explained, I will be continuing the three public hearings relating to the Town's Tree Code and Policy on the agenda as items 1, 2 and 3 without a date. And once we get to items 14, 15 and 16, I'll be setting a hearing date allowing for additional resident input and comment. We will not be voting on the Tree Code and Policy tonight, but since this is a public hearing, if you wish to speak you will be heard and your comments are appreciated. Mr. Wink, do we have any cards?

MR. WINK: I have no cards on this item.

COUNCILWOMAN LURVEY: Is there anyone who wishes to be heard on these three items? Seeing no one, Mr. Wink, I would like to close the public hearings and continue each of items 1, 2, and 3 without a date.

MR. WINK: As to item 1, Councilwoman Dalimonte?

COUNCILWOMAN DALIMONTE: Aye

MR. WINK: Councilman Ferrera?

COUNCILMAN FERRERA: Aye.

MR. WINK: Councilwoman Lurvey?

COUNCILWOMAN LURVEY: Aye.

MR. WINK: Item 24. A resolution setting a date for a public hearing to consider the application of Carolyn Bichoupan from -- for an appeal from a disapproval by the Commissioner of Building Safety, Inspection and Enforcement of a structure (dock) application pursuant to Chapter 42 of the Town Code for the property located at 4 Waters Edge, Port Washington, New York 11050 and identified on the Nassau County Land and Tax Map as Section 5, Block C, Lot 444.

COUNCILWOMAN DALIMONTE: I offer the resolution and set the hearing date for August 5, 2021.

MR. WINK: Councilwoman Dalimonte?

COUNCILWOMAN DALIMONTE: Aye.

MR. WINK: Councilman Ferrera?

COUNCILMAN FERRERA: Aye.

MR. WINK: Councilwoman Lurvey?

COUNCILWOMAN LURVEY: Aye.

MR. WINK: Councilwoman Russell?

MS. GRAVES: It's wonderful to see this process. I appreciate it. I happen to live in that neighborhood, that's my neighborhood and it will directly affect me and my home. And my neighbors are all black, Hispanic, Asian, we're a mixed neighborhood, and I'm just afraid that you throw down one house which happens to be rebuilt and brand new with a family in it and you have a lot of children in that area. I'm very concerned that it's almost like an attempt at blockbusting. What's to prevent you from taking the next part of land for parking? My concern is for that neighborhood, for those children in the neighborhood and for my neighbors who are not here. I just think that you could be a little bit more creative to find parking. I'm very sympathetic to those stores because I use those stores. That's my neighborhood. I'm very sympathetic but I think that the lot across, on Lincoln Avenue, there's a huge lot and I love open land, take ten feet of it, put parking on both sides of that -- of that -- there's not a lot of traffic there usually. Put parking on both sides, be creative. Don't throw down a house in a neighborhood that has children in it, with children across the street, with a lot of young children in that area. I just think that it's the wrong thing to do for a neighborhood. I appreciate being able to speak. Thank you.

MR. WINK: Thank you.

COUNCILMAN ZUCKERMAN: Ms. Graves, thank you for coming tonight. We had heard from a few of the residents who live on the block. My office reached out to about 15 residents
