PROCEEDINGS

SUPERVISOR DESENA: Welcome everybody to our March 10th meeting and if you'd all please rise.

SUPERVISOR DESENA: I just want to say before we get started that Councilman Adhami is home with his family are sitting Shiva, he lost his grandfather, Iraj Adhami (phonetic). And so our thoughts and prayers are with Councilman Adhami and his family tonight. I also want to thank our Town Board and the staff for lighting the Town Hall in blue and yellow these past days in solidarity with the Ukraine, we're all thinking of them. And I've seen many collection sites around, anyone who can help, you know, please do and we'll keep sharing information as we see that as well. I'd like to acknowledge that March is Women's History month, a time to celebrate the incredible contributions women have made to effect throughout history. Many women who have fought tirelessly for gender equality and women's right, so please join us as we have some celebrations this month. And on a personal note, I'm very proud to sit up here with my fellow women elected officials, Councilmembers Lurvey and Dalimonte, as we do the work we were elected to do on behalf of our residents. Not too long ago a woman holding public office was considered ludicrous and impossible; in fact, in the Municipal Town Law, the supervisor was referred to as "he" throughout it as the role and powers of supervisor outlined, which is pretty funny that our ancestors didn't think it possible that we'd be sitting up here. We normally hold the women's roll of honor this month but due to some delays from COVID and some other events, this will be delayed until June. So please look out for information about nominating someone for the women's honor roll. And also Saturday, March 19th, we're having our S.T.O.P. event at North Hempstead Beach Park from 9:00 a.m. to 3:00 p.m., so please check our website for ways that you can dispose properly of dangerous chemical waste that could contaminate our water supply. Also very proud to announce that \$1 million has been awarded towards the North Hempstead Beach Park renovation project. And I want to thank Congressman Tom Swozzi for securing this significant funding for the project.

COUNCILWOMAN DALIMONTE: Would you mind if I might I add to that?

SUPERVISOR DESENA: Sure.

COUNCILWOMAN DALIMONTE: So I spoke to Congressman Swozzi yesterday and I called to say thank you very much. He was fighting -- they took a vote yesterday, he was fighting for the money for North Hempstead Beach Park. And I just would like to say thank you to Congressman Swozzi for receiving a million dollars funds. So now so far we have a million dollars from Senator Anna Kaplan and a million dollars from Congressman Tom Swozzi. So thank you so much.

SUPERVISOR DESENA: Okay. So now we will have 30 minutes for public comment for any items that are not on the agenda. I'm going to ask that we try and limit the comments to three minutes so that as many as possible have a chance to speak. Our agenda is not very long tonight so anybody who doesn't get a chance in the first 30 minutes, please wait and we will reopen for public comment after the agenda. Would you like to call the first card?

MS. SRIVASTAVA: Good evening, everyone. This is the Town of North Hempstead board meeting, Thursday, March 10th, 2022. I'll take the roll call. Councilman Troiano.

MS. SRIVASTAVA: Supervisor DeSena.

SUPERVISOR DESENA: I just want to say that I'm glad that the Town Board is taking the ethics board seriously now. The members have been in holdover status, some for many years. So they are not an independent board. So I'm glad that we're taking these steps but I have a few concerns because this would alter our code of ethics and require that new appointees to boards, commissions and agencies have to submit financial disclosure forms prior to their appointment, which is different from how we treat our Town employees. And as far as I know, this local law hasn't been written yet so I'm not sure if there's anymore than this synopsis here, but it would create different requirements for different individuals based on their appointment regarding their financial disclosures. And I hope that if we make this change it would be uniform for everyone. Currently financial disclosures are submitted to the ethics board by May 15th of every year and I think we should stick with a uniform deadline for everyone so that we're not drafting a new local law that treats every new appointment in a different way. I'm concerned about singling out a subset of individuals and having them shoulder an undue burden prior to their being appointed. So I'm asking the Town attorney to help research and draft the local law to require the financial disclosures for all new appointees regardless of position, file financial disclosures prior to their appointment as well. So I hope we can get this in plenty of time before the next meeting date and with that I'll vote yes.

(Councilman Troiano speaking off-mic.)

SUPERVISOR DESENA: Everyone had their chance, I just wanted -- I'm not looking to debate this tonight, we are setting the hearing for next board meeting.

COUNCILMAN TROIANO: If you would hear me out you wont object.

SUPERVISOR DESENA: Just to help with a legal opinion on having different disclosure requirements for different boards and whether we can have some uniformity. Madam Clerk.

Councilperson Lurvey offered the following resolution and moved its adoption, which resolution was declared adopted after a poll of the members of this Board:

RESOLUTION NO. 109 - 2022

COUNCILWOMAN DALIMONTE: Maura is here, but I believe the reason why we're doing this is because the turf fields at Manorhaven was destroyed during Hurricane Ida so we're replacing it.

MR. ROCHESTER: It doesn't say replacement I didn't know. That's the question.

COUNCILWOMAN DALIMONTE: Maura.

MR. ROCHESTER: Is that a multi --the turf field that you're putting in Manorhaven, is that replacing the grass baseball field and field or is that an additional field? And what sports would be allowed to be on that turf field.

SUPERVISOR DESENA: Do you want to come and talk on the microphone.

COUNCILWOMAN DALIMONTE: Mr. Rochester, what you said is that's not a grass field anymore at Manorhaven, that's a turf field. It has not been grass for many, many years, it is turf there. So we're replacing that turf because of Hurricane Ida.

MR. ROCHESTER: And it's just going to be baseball?

MAURA: Yes, it's just replacing the turf infield that was damaged by Ida.

MR. ROCHESTER: 'Cause there is grass on the --

COUNCILWOMAN DALIMONTE: On the inside of it --

MR. ROCHESTER: Grass turf infield

MAURA: The artificial infield is what's being replaced, damaged by Ida.

MR. ROCHESTER: It seemed like you were replacing the old field with turf.

MAURA: No, we're doing the replacement for what was damaged.

MR. ROCHESTER: Thank you.

COUNCILWOMAN DALIMONTE: It's been a turf field down there for a really long time.

MR. ROCHESTER: The infield for baseball, but the rest is grass. I thought you were turfing the entire.

MS. SRIVASTAVA: Item No. 23: A resolution authorizing the execution of an agreement with Citygate GIS for data analysis and mapping services in connection with redistricting, TNH281-2022.

COUNCILWOMAN LURVEY: So this is a resolution for a data analysis and mapping consultant to help the redistricting commission in their work. Sagar Mehta who is here, has been assisting the Town's redistricting commission. Perhaps you can come up to the microphone and detail the steps that were taken in that process.

MR. MEHTA: Good evening, Supervisor, Town Council members. So for this process we looked at the previous data analysis and mapping firm that was hired in 2012, Grassroots Solutions. We looked at their scope of work, we copied it, amended it to a certain extent for our new redistricting commission. I had Town attorney look at it to make sure it was okay. I had the planning department look at it to make sure it was okay. We also had the IT department look at it to make sure it was okay. We made sure that it matches with the Town's GIS software and everything like that. And then Town attorney asked purchasing to put out the RFP. The RFP was responded to by four firms. RFP committee was formed with six individuals, I believe, and they all rated Citygate as the highest.

MS. SRIVASTAVA: Item No. 24: A resolution authorizing the execution of an agreement with Jeff Wice for legal services.

COUNCILWOMAN LURVEY: So tonight we're considering a proposal made by Jeff Wice to assist the Town during our redistricting process. Considering Mr. Wice's wealth of knowledge and experience, I believe it would be prudent to approve the proposal this morning. Mr. Wice has an extensive resume that demonstrates a depth understanding of the restricting process. He has over 40 years of experience working in redistricting, voting rights and census law. He's currently an adjunct professor of law at New York State Law School where he founded the New York Census and Redistricting Institute. Outside of New York State, he has assisted state and local governments on redistricting including Clark County, Nevada; Baltimore, Maryland; state legislatures in Manhasset, Connecticut, Maine, Virginia, Colorado, Kansas, Tennessee, Vermont, New Hampshire, Maryland, and the list goes on. It is his extensive work here in New York State that I believe will provide us with the most benefit. He served as counsel to the New York State legislature and has assisted in all congressional state legislative redistricting processes since 1980. Mr. Wice was also instrumental in the creation of the council districts, known as wards, right here in the Town of North Hempstead in 2003. Before that, we did not have councilmanic districts. So his vast familiarity with New York State law and the Town of North Hempstead makes him an excellent resource for us and I urge my fellow board members to consider his proposal. I believe he will be an effective partner with the Town of North Hempstead. I offer the -- given Mr. Wice's credentials being impeccable, his experiences extraordinary, I offer the resolution and move for its adoption.

MS. SRIVASTAVA: Councilman Troiano.

COUNCILMAN TROIANO: Aye.

MS. SRIVASTAVA: Councilman Zuckerman.

COUNCILMAN ZUCKERMAN: Before voting, I just want to make a quick statement. I wanted to disclose on the record, I'm an attorney, in case anyone doesn't know that, and I attended New York Law School. For the past two years, since 2020, I've been serving on the Alumni Board of Directors for New York Law School. I became aware that Mr. Wice, in addition to being a national expert on redistricting, is an adjunct professor at New York Law School and founder of the New York Census and Redistricting Institute, which is a part of the law school. I consulted with the Town Attorney and my personal attorney regarding my association with New York Law School and I have no relationship with Mr. Wice, financial or otherwise. As a member of the alumni board, I have no decision making authority regarding hiring or firing at the law school, it's largely a fundraising thing for alumni. I have no involvement in the Census and Redistricting Institute and there's no conflict of interest. I just wanted to disclose that on the record and I vote aye.

MS. SRIVASTAVA: Thank you. Councilman Walsh.

COUNCILMAN WALSH: Nay.

MS. SRIVASTAVA: Councilwoman Lurvey.

COUNCILWOMAN LURVEY: Aye.

MS. SRIVASTAVA: Councilwoman Dalimonte.

COUNCILWOMAN DALIMONTE: Aye.

MS. SRIVASTAVA: Supervisor DeSena.

SUPERVISOR DESENA: I just want to note a few things about the selection. Mr. Wice was obtained for an amount up to \$19,900, which is \$100 less than the amount where a professional services contract would have had to be sent out for a Request For Proposal. Mr. Wice was handpicked by Councilwoman Lurvey and his hiring was submitted to the rest of the Town Board 18 minutes before the deadline to submit resolutions, with no alternatives presented and no prior discussion, rationale or explanation given as to how, when, where and why Mr. Wice was chosen. While he has an extensive resume, it's important to note who he has worked for in that time regarding redistricting. Mr. Wice developed the First National Democratic Party Redistricting Assistance Program, he served as counsel to President Clinton's Census Monitoring Board, and since 2000 he has served as counsel and strategist to the Democratic National Committee. This is yet another action being rushed through the process and pushed through against our objections to secure certain outcomes. It was not transparent and not necessarily in the best interest of all our residents.

MS. SRIVASTAVA: May I have your vote?

SUPERVISOR DESENA: And one more thing. I just feel that this will perpetuate the public's negative perception of redistricting and how the process is dictated to the partisan politics. With that said, I vote no.

Councilperson Lurvey offered the following resolution and moved its adoption, which resolution was declared adopted after a poll of the members of this Board:

RESOLUTION NO. 129 - 2022

A RESOLUTION AUTHORIZING THE EXECUTION OF AN AGREEMENT WITH JEFF WICE FOR LEGAL SERVICES.

WHEREAS, this Board finds it to be in the best interests of the Town to authorize the Agreement.

NOW, THEREFORE, BE IT

MS. SRIVASTAVA: If someone wants to make a comment on Item No. 38 then you can please come up.

MR. MCDONOUGH: Supervisor, Councilmembers, Tom McDonough, President CSCA Unit 7555. And I thank Noreen Murphy, my executive vice president, for bringing it up last meeting and I'm going to bring it up this meeting. There's several people on tonight's meeting, making \$20 or more an hour part-time. So we have somebody making \$32 an hour as a part-timer and you hired somebody last time for a full-time position at \$22 an hour. I believe there's a rule in the Nassau County Civil Service Rule Book that states, and it's not just in the definition, it's in the rule book, that states that a part-timer can't be paid more than half of what a full-timer is making. I know that's not feasible now, I know it needs to be adjusted in the Civil Service Law book because of the minimum wage going up. But still, \$32 an hour you got a clerk typist on the last resolution making \$60 an hour. That's a slap in the face to every full-time employee that does that job. We don't have too many clerk typists anymore and I take one of my clerk typists and put it up against anybody making \$60 an hour 'cause I know I got one of them types 130 words a minute. So we really need to sit down and have a discussion about part-time salaries versus full-time because this goes public, the employment reso goes public 24 hours before this meeting and my phone starts ringing from full-time union member employees. And I get phone calls about all different stuff, but when they start yelling about part-time salaries and how much they make an hour, that becomes a bigger problem than everything else that I'm hearing. I will deal with some of these questions at the next labor management meeting, thank you.

SUPERVISOR DESENA: Thank you Mr. McDonough. I offer the resolution and move for its adoption.

MS. SRIVASTAVA: Are we done with the items now? Do we have someone for the public comments? We don't have cards, right, we're done with the agenda items.

SUPERVISOR DESENA: Okay. If it's on what you've already spoken about, we will --

MALE SPEAKER: What is 38-10?

COUNCILMAN TROIANO: We can't discuss items of personnel with the public.

SUPERVISOR DESENA: It's the personnel list.

COUNCILMAN TROIANO: It's an appointment.

MALE SPEAKER: Then you answered my question, thank you.

SUPERVISOR DESENA: In that case, I move to adjourn -- oh.

MR. GAFFNEY: Again, sorry I misunderstood before. Pete Gaffney, Westbury Carle Place School District. What happened with SWMA? It got consolidated in the last administration, I don't hear anything about it. What are we doing?

SUPERVISOR DESENA: It's a department, it's no longer an authority. It's a department of the Town.

COUNCILWOMAN DALIMONTE: And we're saving the taxpayers money by consolidating it into a department instead of authority.

MR. GAFFNEY: But we don't know anything about it.

COUNCILWOMAN DALIMONTE: Everything is the same except it's a department now.

MR. GAFFNEY: Thank you.

MS. MCDONOUGH: I know there was something tabled a couple meetings ago. Why wasn't that on the agenda tonight.

SUPERVISOR DESENA: It's Still tabled.

MR. MCDONOUGH: It's still tabled, it still has to be part of the agenda. If I remember Robert's Rules correctly, it's still got to be on the agenda.

COUNCILWOMAN DALIMONTE: The Town attorney should answer.

MR. MCDONOUGH: I believe we do parliamentary law, right? Yes or no? And I believe if it's tabled, it still needs to be on the agenda and it would be considered old business that's still not -- still hasn't been settled.

MR. CHIARA: We don't follow Robert's Rules if that's what you are asking. The Town has their own rules and procedures.

MR. MCDONAH: Okay. Thank you.

SUPERVISOR DESENA: Thank you, everybody. I move to adjourn.
