I just want to remind everyone that with the exception of tonight, which was rescheduled at the request of a board member, we're going to be meeting on Tuesday nights; for the rest of the year, our board meetings are going to be the first Tuesday night of the month, which is in accordance with prior tradition and also helps our staff take care of work after our board meetings. Councilman Walsh is away on a long-planned family vacation because he thought that the board meeting would be last week. We'll now start with 30 minutes of public comment and please keep your remarks to three minutes each. Thank you.

COUNCILWOMAN DALIMONTE: If there are more cards.

COUNCILWOMAN LURVEY: How many cards are there?

COUNCILMAN ZUCKERMAN: How many cards are there?

CLERK SRIVASTAVA: There are more cards, 30 minutes is a kind of the beginning put aside just for the public comments, so maybe we can go ahead with the agenda and then at the end we'll address the public comments.

SUPERVISOR DESENA: We'll decide at the end of the meeting.

COUNCILWOMAN LURVEY: So we can either it continue now or I would say we continue after the meeting; there's not much on the agenda.

SUPERVISOR DESENA: We have many more cards, many more cards, so we've got to get into our business.

CLERK SRIVASTAVA: We have 12 more cards.

SUPERVISOR DESENA: Madam clerk, can you please call the first item on the agenda?

AUDIENCE MEMBER: I have a TBI, Madam, and it's difficult to control my right eye. I will try my best, but it is difficult.

SUPERVISOR DESENA: I'm just saying, a lot of these are just, you know, it's a lot of titles of things and so it is easier if you can follow along to understand.

CLERK SRIVASTAVA: A resolution authorizing the execution of an agreement with N&P Engineering, Architecture and Land Surveying, PLLC for engineering services related to the replacement of track and turf field at Michael J. Tully Park, New Hyde Park, NY DPW Project no. 19-17 CM.

Tonight we are voting to completely revamp and enhance that turf field. Tully is open to all town residents and this upgrade will certainly mean a lot to the community. COUNCILWOMAN DALIMONTE: Town dock provides residents with an absolutely beautiful view of Manhasset Bay. If you've never been there, you should go, it's beautiful. It's a perfect place to go boating or fishing, the home to concerts and our farmers market that's every Saturday. It's really a lovely --we call it a park, it's really a parking lot, but the sunsets are absolutely beautiful, with shops and restaurants nearby and a great location to watch the sunset. Since I've been in office since January of 2020, I have been advocating for these bathrooms to be redone. They are in disrepair and I just -- I am so happy that this resolution is on the agenda, so I wanted everyone to know that we are going to be hiring an engineer to look at redoing these bathrooms so the public can enjoy. CLERK SRIVASTAVA: Item No. 16, a resolution authorizing the employment, appointment, transfer, adjustment, correction, change in grade or salary and/or termination of employees and/or officials in various departments of the town. I have a card, we have a card on this. Tom McDonough.

MR. MCDONOUGH: Good evening, Supervisor, council members. Happy new year, I apologize I missed the last meeting but I am here tonight. But in addition to what you said, we can all marry people now in the State of New York by the bill that was signed by the Governor you can get a 24-hour permit, so, you want to marry somebody, we'll figure out what we're paid. What we're doing, if we create that paperwork, are we charging for it? Again, I have to stay consistent, I'm Tom McDonough, President of the CSEA, Unit 7555, I represent the union employees of the Town of North Hempstead and I see that we're adding one person to the roll as a full-time employee, and I will never take anything away from anybody that works for the town as far as being given a merit raise, but we're also hiring two part-timers, so I need to stay consistent and we need to hire more full-timers, not part-timers. The full-timers that work in 311 are working out a title, they're in hidden titles, there's five people that work there and the rest of them are all part-time employees. The other thing is I respect everybody's opinion that was here tonight and we have a lot of people speaking about spending money on cats and everything else, we can't spend money on a speaker system for this room that we can actually hear, because I can hear myself right now and it's all muffled. We need to try to figure out if we can spend some money and create -- correct the public address system that in here. But, again, I need to stay consistent and we need to hire a -- we're grossly understaffed in the town in every department that we have. Thank you.
